

Safeguarding

Esher Church of England High School is committed to ensuring the welfare and safety of all our students in school. We believe that students have a right to learn in an environment in which students and young people feel safe, secure, valued and respected. They should feel confident, and know how to approach adults if they are in difficulties, believing they will be effectively listened to.

Esher High School follows the Surrey Safeguarding guidelines. The school's Child Protection policy, Safer Recruitment and Safer Working Practices policies can be found by clicking on the links

If your child is ever concerned about safety or well-being or about a friend, they should talk to one of the school's Designated Child Protection Officers (DCPO)

Our main Child Protection Officer is:

Sarah Hill
